

**Ron and Victoria Friedman, Co-Founders of Vistar Foundation,
with Ashok Gangadean,**

Professor of Philosophy at Haverford College, Founder of the Global Dialogue Institute

invite you to participate in a Vistar Circle dialogue on
“THE POWER OF Collective Consciousness for CO-CREATION”
at the **Spiritual Summit for Social Change**

A blue rectangular poster for the "Spiritual Summit for Social Change". On the left side, there is a graphic of a stylized Earth with various symbols and patterns overlaid. To the right of the graphic, the title "Spiritual Summit for Social Change" is written in large, white, sans-serif font. Below the title, the date and location are listed: "September 13, 2014: 9 AM - 10 PM" and "2nd Presbyterian Church and Adjoining School, 6 W 96th/CPW New York City".

The Summit is part of the **11 days of Global Unity** leading up to the United Nations **International Day of Peace** on Sept 21

Take part in our presentation at the Summit by participating in the **Vistar Working Session**. We will be exploring the power of Collective Consciousness for Co-Creation and seeing what possibilities emerge for new co-creative ventures. Find out about the FIONS New York Circle and more...

You will be receiving time of Session and more info.

Let us know you are joining us by **REGISTERING** on:
info@vistarfoundation.org

More info - Call Victoria at 203.322.8974

ALSO...join other groups working on various initiatives (listed below). This event will give us a big picture perspective on social change and provide an opportunity to network with many people creating on that evolutionary frontier. Come for the whole day or for whatever sessions you wish to attend.
